What 5Star fans are saying on Facebook®:

“We used The 5Star to locate a family member who we were not able to reach. You can’t put a price on the peace of mind that comes from receiving a call saying everything’s okay!”
-Jennie O.

“Having The 5Star with me while out and about, or even in my apartment, has given me my independence back.”
-Jodie A.

“I can rest assured I still have coverage with The 5Star, unlike more expensive, old land-line systems where you can’t go beyond 100 feet of your front door.”
-Steve A.

“Protect your kids,
your parents
and yourself.”

Help at the touch of a button.

It's no wonder 5Star Urgent Response™ is the preferred choice of renowned safety expert John Walsh. Whether you're at home or on the go, one touch of The 5Star® and you'll speak immediately with a highly-trained Agent. Trained in CPR and other emergency procedures, these Certified Response Agents will identify your location using GPS technology, evaluate the situation and get you the help you need. They can even connect you to a registered nurse, conference in family and friends or dispatch emergency services.

The most affordable personal emergency response system! Start now and **SAVE UP TO \$300 PER YEAR IN MONTHLY FEES** compared to other systems.

Reliable Nationwide Coverage

The 5Star works nationwide and provides you with immediate access to help anytime and anywhere wireless coverage is available. You can rest assured knowing your 5Star service is powered by one of the nation's largest and most reliable wireless networks. So, whenever and wherever you need it, help is at your fingertips.

Enhanced location technology

5Star Agents use GPS technology, advanced location analysis and the “frequent locations” information that you provide in your Personal Profile to determine where you are when you call. You also have access to an online locator at mygreatcall.com, so you can locate a user at any time, or find The 5Star if lost.

Highly-trained 5Star Response Agents are here for you 24/7.

One touch and you'll be immediately connected to Response Agents who are certified by the National Academies of Emergency Dispatch®. All 5Star Agents are equipped to handle a wide variety of situations and are available to assist you

anytime, day or night. Agents have access to your confidential Personal Profile containing valuable information

such as your medical history and emergency contacts. They can even dispatch 9-1-1 emergency services if needed, conference in family and friends and will stay on the line with you until your situation is resolved.

In a critical emergency like a burning house, you can bypass a 5Star Response Agent and connect directly to 9-1-1 by pressing and holding The 5Star button down for five seconds.

Use The 5Star in any situation...

Emergency

When you're not sure you should contact 9-1-1:

- Your father feels pain in his chest, a strange tingling sensation or he's having trouble breathing
- Your child has medical issues or allergies that may require urgent response
- You're having a strange reaction to food, medication or an insect bite
- You witness an accident and someone may need medical attention

When something is about to happen:

- Your mom is in a dark parking lot, her car won't start and a stranger is approaching
- Your young son is being physically threatened by a bully at school
- Your daughter is walking outside after dark and someone begins to follow her
- You just got home and you think someone may be in your house

Threat

"I'm alone and I think someone is following me."

Danger

For any potentially dangerous situation:

- You're traveling in a new city and have become lost or disoriented
- Your child arrives home and notices a stranger parked in the driveway
- In the middle of the night, you hear strange noises outside your house
- Your parents have a history of health or medical issues

Proactive safety for uncertain situations:

- Your child is on a field trip and can't find the group
- You want to be able to locate a family member at any time
- You can't always be there for your parents
- You don't want to be a burden or rely on family members for assistance

Anxiety

"I can't find my mom."

Your Personal Profile

Your Personal Profile contains comprehensive, personal details such as emergency contacts and medical conditions, which allow the Agent to better assist you in an urgent situation. Your profile is secured by a Certified Data Center, is HIPAA compliant, and is only shared with first responders in the event of an emergency. The more information you provide in your Personal Profile, the more prepared you will be in the event of an emergency. Whether it's the contact information of a family member or important medical history, 5Star Agents will use this information to assist you quickly and safely.

Multilingual

5Star Agents can provide translation support for assistance in over 100 languages.

Take it with you everywhere

The 5Star, with its single button operation, is easier to use than a cell phone. And unlike other personal security systems that are limited to your home or vehicle, 5Star features reliable nationwide coverage so it goes wherever you go.

5Star includes LiveNurse service free

As a 5Star subscriber, you'll have 24-hour access to our award-winning LiveNurse service. If needed, a 5Star Agent will connect you to a friendly, registered nurse at any time. There are no additional fees or charges for calling LiveNurse.

- **Live, registered nurses, on call day or night**
- **No appointment necessary:** Speak to an experienced nurse in English or Spanish, 24/7.
- **Health Information Library:** Unlimited, anytime access to a pre-recorded library, featuring current information on hundreds of general health topics that can assist you in making decisions about your health and well-being.
